#### Minutes from Chapter 100 Business Meeting

The August 2, 2016 Business Meeting was brought to order at 18:30 by President Jeff Hanson. Four items were discussed.

1. Chapter Picnic: Dwayne Hora will again captain this event, and again will be catered by Hy-Vee. Date is Sunday, Aug. 14<sup>th</sup> at 12:00 noon. This event is free and for members and their family/guest. Please B.Y.O.C. (chair)
2. C.A.P. Donation: With unanimous approval, we will donate \$500 to the Civil Air Patrol to assist with their continuing aviation activities.
3. Tent rental for the September Young Eagles event: With unanimous approval, we accepted Majestic Tent's offer to provide a large tent for the next Young Eagles event at about half-price (\$200).
4. T-Shirts and Caps: Dan Crandall presented his ideas, artwork and quotes for Chapter T-Shirts. As the discussion became complex, with no immediate resolution, the subject was tabled, to be re-visited at a later date.

Respectfully Submitted: Tom Hall, Secretary/Treasurer

**Young Eagles:** The chapter's YE chairman is Dave Nelson, email is: YoungEagles@eaa100.org. Our next YE Rally is scheduled for September 10<sup>th</sup> with a September 11<sup>th</sup> as the backup day in case the weather is bad on the 11<sup>th</sup>.

We must get the word out to all potential Young Eagles. For all of you who know parents with potential YE's or have a way to contact organizations that would have parents/students that may be interested, please let them know about this great opportunity. A flyer is attached for printing or forwarding to potential parents of YE's.

Again, we will need all the pilots and ground help we can find. It takes at least two ground helpers for every pilot plus gate and perimeter guards, certificate makers etc. All pilots need to have completed the Youth Protection Program.

We will be sending out more information about YE's and trying to get commitment from pilots and workers in separate emails.

### **GA Party after the YE Rally**

There are many good reasons for you to plan to attend. Seeing excited kids learning about aviation ought to be enough, but if it isn't, the Rochester Airport Company, Signature Flight Support and the SE Minnesota Flying Club are going to chip in for a GA family picnic/party. Again, for liability reasons – BYOB. The hope here is to get as many local pilots to join us for some socializing after the YEs leave. The hope is that over time we will become a better and stronger community of aviators in the local area. Who knows what good things that will lead to? Again, this is for any/all GA pilots and their families.

**Flight Review program for pilots around Rochester:** Most of you know I only do Flight Reviews through the FAA's WINGS Pilot Proficiency Program. I do this because WINGS is such a great program for keeping pilots current. There are three "Flight Activities" with a list of maneuvers to be flown with a CFI to complete the equivalent of a flight review. I'm offering pilots these three sorties at only \$15 per sortie and spaced about 120 days apart. These rides can be as long as you want. We can practice just about anything you want before or after you demonstrate the WINGS required maneuvers. I have more information at:
